Alex Epstein is back in town next week

Staff note: Travis is good with the below topics and attendees

Attendees:

- Alexander Epstein — President, Center for Industrial Progress
- Theodore Ellis — VP, Government Affairs, Energy Freedom Fund
- Marc Marie — President, Center for Environmental Accountability

Topics:

- to discuss some novel ideas to help Administrator Zeldin deliver on President Trump's energy dominance agenda, and how they can work with EPA leadership and staff to achieve them.

Dates:

- Monday – Wednesday is when he will be in town

Duration:

- Not requested but could give them 20 min and on our end -- I can plan for a 10 min buffer just in case you don't want to stop the meeting when I interrupt at the 20 min mark

Topics:

## Ex. 5 Deliberative Process (DP)
