Dear Ms. Savranksaya:

This correspondence is in response to your email of February 22, 2024 requesting an estimated completion date for a FOIA request you have filed with the George W. Bush Presidential Library. That estimate is listed below. This estimate includes time for NARA to complete the necessary notification to the representatives of the former and incumbent Presidents in order to afford them an opportunity to conduct a privilege review, as is required by the Presidential Records Act (PRA).

As stated in our letter dated November 29, 2023, request NW 78134 is in the classified Presidential Library holdings queue and there are 673 requests ahead of yours in this queue. Our best estimate at this time is that it may be completed in approximately 12 years.

If you have any questions regarding your FOIA request, please contact our staff at 214-346-1557 or gwbush.library@nara.gov. Your FOIA case log number is NW 78134. Please have this number accessible for reference during any future contact concerning this case.

Sincerely,

Justin Banks
